#### **Introducción**

Estudios Hispánicos is the administrative unit of the University of Barcelona which has devoted more than sixty years to the teaching of the Spanish language and culture to foreign students. Throughout the academic year, it offers a great variety of courses on language and culture taught by teachers who are specialists in this field. The language courses are adapted to the levels of the Common European Framework of Reference for Languages, and grammar issues are approached with a strong emphasis on practice within a communicative, dynamic and flexible framework. Summer language courses are taught during the months of June and July, on Monday to Thursday mornings, and last two, three and four weeks
